

Transfer of a MB-Secure board in the License portal

Company / Name (Enduser) _____

Street No. _____

ZIP / City / Country _____

I hereby confirm that I / we are the legal owner of the MB-Secure board with the

serial number _____

Place, date _____

Authorized signature (Enduser) _____

Currently the license to use is registered to the company:

Company / Name (Installer, old) _____

Street No. _____

ZIP / City / Country _____

For the purpose of maintenance and possibly pending extensions I / we assign a transfer with the above-mentioned serial number in the licensing portal to the following new company.

Company / Name (Installer, new) _____

Street No. _____

ZIP / City / Country _____

Place, date _____

Authorized signature (Installer new) _____

Please send the registration by post to the address below, by fax to 07431 801-1661 or by email to **MB-Secure.LicenseKey@Honeywell.com**

Please note

Your request for transfer will be displayed to the company registered with us in the system. If within 5 working days after delivery of the advertisement there is no justified objection on the part of the currently registered company to us, we will execute your request for transfer and inform the new licensee indicated by you accordingly. If a substantiated objection is raised by the currently registered company, we will inform you accordingly. We reserve the right to refuse an application in writing without giving reasons in writing.
